

CURRICULUM VITAE

G. WILLY DAVILA, M.D.

GUILLERMO H. DAVILA, M.D., FACOG, FPMRS

Medical Director, Women and Children's Services
Holy Cross Medical Group

Center for Urogynecology and Pelvic Floor Medicine
Dorothy Mangurian Comprehensive Women's Center
Holy Cross Health
Fort Lauderdale, Florida, USA

Academic positions:

Affiliate Professor, Florida Atlantic University School of Medicine
Clinical Associate Professor, University of South Florida, Dept. of Obstetrics and Gynecology

Address:

Holy Cross HealthPlex
Dorothy Mangurian Comprehensive Women's Center
1000 NE 56th Street
Fort Lauderdale, Florida 33334
Phone (954) 229-8660
FAX (954) 229-8659
Email: GWilly.Davila@holy-cross.com

Education

1976-1979 University of Texas at El Paso, Texas
B.S. Biology
1976-1977 University of Bolivia Medical School, La Paz, Bolivia
no degree
1979-1983 University of Texas Medical School, Houston, Texas
M.D.

Residency

1983-1987 University of Colorado Health Sciences Center, Denver, Colorado
Obstetrics and Gynecology

Postgraduate

Training

1989 Gynecological Urology Clinical Preceptorship:
Long Beach Memorial Hospital, University of California, Irvine
Donald Ostergard, M.D., Director

Previous Positions:

- 1999-2017 Chairman, Department of Gynecology, Cleveland Clinic Florida
- 1999-2018 Head, Section of Urogynecology and Reconstructive Pelvic Surgery
Cleveland Clinic Florida
Director, *The Pelvic Floor Center at Cleveland Clinic Florida*
A National Association for Continence (NAFC) Center of Excellence in Pelvic Floor Care
Director, Clinical Fellowship program - Urogynecology and Reconstructive Pelvic Surgery (2000-2007)
- 2015-2016 Clinical Director, Global Patient Services (Weston)
Cleveland Clinic Foundation, International Center
- 2013-2016 Center Director, Obstetrics and Gynecology and Women's Health Institute (Weston)
Cleveland Clinic Foundation
- 1992-1999 Director, Colorado Gynecology and Continence Center, P.C.
Director, Fellowship program in Urogynecology/Reconstructive Pelvic Surgery
Presbyterian/St. Luke's Medical Center and Rose Medical Center
Denver, Colorado
- 1989-1992 Director of Urogynecology/Reconstructive Pelvic Surgery
Director, OBGYN Ambulatory Care Clinic
Assistant Professor
Department of Obstetrics and Gynecology
University of Colorado Health Sciences Center
Denver, Colorado
- 1987-1988 Southwest Florida Health Centers (USPHS-NHSC)
Fort Myers, Florida.
General obstetrics and gynecology

Medical Licenses:

Medicine: Texas, 1983; Florida, 1987, 1999-present; Colorado, 1988; Arizona, 1995

Professional Organizations:

- | | |
|--------|---|
| Member | American Association of Gynecologic Laparoscopists |
| Member | American College of Obstetricians and Gynecologists |
| Member | American Urogynecologic Society |
| Member | International Urogynecologic Association |
| Member | International Continence Society |
| Member | Florida Medical Society |
| Member | Broward County Medical Society |
| Member | American Society of Laser in Medicine and Surgery |

Honorary Memberships:

Latin American Society of Urogynecology and Vaginal Surgery
Portuguese Society of Neurourology and Urogynecology (SPNUG)
Brazilian Pelvic Floor Nucleus
Argentine Urogynecologic Association (AUGA)
Mexican Urogynecology Society (SMUG)
Chinese Urogynecology Association
Bolivian College of Surgeons
Academy of Medicine of Rio de Janeiro, Brasil
Australasian Gynecologic Endoscopy Society (AGES)

Non-clinical positions:

Federation of International GYN and OB societies (FIGO)
Urogynecology and Pelvic Floor Committee member
2019-current Chairman
2017-current Member

National Association for Continence (NAFC)
2004-current Board member (2004-2007)
Chairman of the Board, Board of Directors (2007-2009)
Chairman, Centers of Excellence Governance Board (2009-current)

Foundation for International Urogynecologic Assistance (FIUGA)
2012-current Board member, Secretary (founding)
Urogynecology Fellowship Program, B. P. Koirala Health Sciences Institute, Dharan, Nepal

Administrative Experience:

Holy Cross Health
2019-current Medical Director, Women and Children's Services
Health Information Management committee, Member
Physicians Outpatient Surgery Center, Board Member

International Urogynecological Association (IUGA)
1999- Past-President
President (2013-2015)
Vice-President (2011-2012)
Secretary-Treasurer (2005-2011)
Chairman, Public and Industry Relations Committee (1999-2005)
Annual Clinical Meeting Local Host (Joint meeting with ICS) – Denver, 1999

Cleveland Clinic Florida
1999- Director of Clinical Services, Global Patient Services (2014-present)
Access committee, Co-chair (2014-2016)
Graduate Medical Education Committee member (2001-2007)
Research Committee member (2004-present)
Director, Clinical Fellowship program

Urogynecology and Reconstructive Pelvic Surgery (2000-2007, 2014)

1992-1998 **Presbyterian/St. Luke's Medical Center, Denver, Colorado**
Institutional Review Board, member

Colorado Medical Society
1993-1995 Legislative Council, member

American Urogynecologic Society (AUGS)
1998-2002 Coding and Nomenclature Committee, member
1994-1995 Public Relations Committee, member

University of Colorado Health Sciences Center.
Department of Obstetrics and Gynecology
1988-1992 Director, Section of Urogynecology and Reconstructive Pelvic Surgery
1989-1992 Director of Medical Student Education and OBGYN Student Clerkship
1990-1992 Finance Audit Committee member
University Physicians, Inc.
1990-1992 Surgical Case Review Committee
1988-1990 Director, Ambulatory Care and Outpatient Clinics
1988-1992 Consultant staff physician, Certified Nurse Midwifery program

1988-1992 **Veteran's Administration Medical Center, Denver, Colorado**
Staff Gynecologist

Journal Reviewer:

American Journal of Obstetrics and Gynecology
Obstetrics and Gynecology
International Urogynecology Journal
Journal of Urology
Urology
Neurourology and Urodynamics
British Journal of Obstetrics and Gynecology
Gynecologic and Obstetric Investigation
European Journal of Obstetrics and Gynecology
International Journal of Obstetrics and Gynecology
Uroginecologia
Menopause

Editor positions:

Journal of Clinical Gynecology and Obstetrics – **Editor in Chief** (2020-present)
International Urogynecology Journal– Editorial Board member (2010-2015)
Techniques in Coloproctology – Pelvic Floor Section editor (2016-2018)

Honors:

"Distinguished Service Award" – International Urogynecological Association, 2017

"Mentor of the Year" ACOG District VII, 2012
 Cleveland Clinic Foundation - 6th Annual Innovator Award, 2009
 "Excellence in Health Care Award" - South Florida Business Journal, Innovator Category, 2009
 "Scholar of the Year" - Cleveland Clinic Florida. 2007.
 "The Most Outstanding Faculty Member Teaching Award." - UCHSC Dept. of Obstetrics and Gynecology. 1991
 "Golden Apple Teaching Award" - University of Colorado Health Sciences Center, 1984-85; 1985-86
 "Reproductive Medicine Award" - University of Texas Medical School, Houston. 1983

Public Recognitions:

5280 Magazine: Best Doctors in Colorado – 1998, 1999
 Castle-Conolly America's Top Doctors – 2004-2018
 America's Top Obstetricians and Gynecologists (Consumers' Research Council of America) – 2007-2018
 Gold Coast magazine: Best Doctors in South Florida – 2004-2018
 Fort Lauderdale Magazine: Best Doctors – 2012-18
 Best Doctors in America – 2007-2018
 Patient's Choice – www.vitals.com, 2012-18

Presented at the annual meeting of the American Urogynecologic Society, Cambridge, Mass. 1992..

Davila GW. A questionnaire to assess incontinence type

Presented at the annual meeting of IUGA. Sydney, Australia. 1991

Invited Presentations/Guest Lectures:

2020

2019

Feb 4-15

Dharan, Nepal – BP Koirala/FIUGA Urogynecology Fellowship program

Multiple talks and live surgeries for fellows instruction (TVH McCall, Latzko VVF, SSLF, suburethral mass, perineal cloaca, etc.)

Lectures on pelvic anatomy, UDS, vault prolapse repair, etc.

March 28

Denver, Colorado – American Society of Laser in Medicine and Surgery

Preparing patients and obtaining consent prior to energy-based treatments

April 19

Sao Paulo, Brasil – VIII Jornada de Uroginecologia da FMUSP

Cenario atual no tratamento de bexiga hiperativa

Live surgery: Botox injections for overactive bladder

Live surgery: Botox injections for levator hypertonicity and pain

Tratamento da IUE com slings de uretra media. Devemos continuar fazendo? Situacao no mundo atualmente.

June 20

Guayaquil, Ecuador – Soc IberoAmericana de Endoscopia Ginecologica e Imagenologia (SIAEGI)

Surgical anatomy of prolapse

Management of stress incontinence

Management of uterine procidentia

2018

- March **Chicago, Ill – Alma Laser presentation**
Assessment of the Safety and Efficacy of Pixel CO2 Laser System (FemiLift™) in the Treatment of GSM
- March **Atlanta, GA – Alma Laser presentation**
Assessment of the Safety and Efficacy of Pixel CO2 Laser System (FemiLift™) in the Treatment of GSM
- March **New York, NY – Alma Laser presentation**
Assessment of the Safety and Efficacy of Pixel CO2 Laser System (FemiLift™) in the Treatment of GSM
- April 11 **Dallas, Texas – American Society of Lasers in Medicine and Surgery**
Pixelated CO₂ Laser Treatment for Vaginal Atrophy: short term follow up
The effect of pixelated CO₂ Laser on the vaginal epithelium is not the same as that of local estrogen: Cytologic evidence
Tech Connect:
Vaginal rejuvenation: Assessment of the efficacy of Pixel CO2 Laser System (FemiLift™) in the treatment of vaginal atrophy
Clinical applications: Women's Health
Vaginal histology following energy-based treatments: Is it different from estrogen treatment?
Alma sales force talk: Assessment of the Safety and Efficacy of Pixel CO2 Laser System (FemiLift™) in the Treatment of GSM
- April 16 **Panama, Panama – Federation of Central American OBGYN Societies (FECASOG)**
Live surgery: LeForte colpocleisis and TVT sling
Live surgery: TVH-BSO, A and P repairs and TO sling
Importancia de subespecializacion en Uroginecologia
Prolapso apical: opciones vaginales
Laser vaginal para atrofia vaginal
- April 26 **Sao Paulo, Brasil – University of Sao Paulo Urogynecology Symposium (VII)**
Live surgery: Apical sling for vault prolapse
Bulking agents for SUI
- June 27-30 **Vienna, Austria – 43rd IUGA Annual meeting**
Mesh – where do we stand in 2018? International scenario and perspective (Special lecture)
Hands-on Urodynamics training: Soup to nuts workshop faculty
- August 3 **Brisbane, Australia - Australasian Gynecological Endoscopy and Surgery (AGES)**
An anatomic approach to rectocele repair
Removal of mesh – Can mesh be removed by a “chosen” few?
Teaching vaginal hysterectomy: The ACOG experience
The Pelvic Floor MDT: How can we all look after our patients' together as a unit?
- October 14-19 **Rio de Janeiro, Brasil – FIGO (Int'l Federation of OBGYN Societies)**
Applied anatomy for the pelvic surgeon (Surgical management of prolapse and incontinence)
The story of mesh – FIGO recommendations
Innovation and research in vaginal health – use of laser therapy (moderator)
- October 16 **Rio de Janeiro, Brasil – Alma dinner talk**
Use of pixelated CO2 laser for vaginal atrophy

2017

- Feb 24 **Houston, Texas – Texas Women's Hospital OBGYN Symposium**
Fine tuning selection of the best sling for your SUI patient
Current concepts in surgical anatomy
- March 18 **Washington, DC – Alma Laser symposium**
Use of the Alma laser for vaginal atrophy
- April 7-8 **Kathmandu, Nepal – Nepal Society of Obstetrics and Gynecology (NESOG)**

- April 28 Anatomic correlates for pelvic reconstructive surgery
Sao Paulo, Brasil – VI Jornada: University of Sao Paulo Urogyn Symposium
 Management of obstructive complications after mid-urethral slings
 CO2 Alma laser for vaginal atrophy
 Live surgery: LeForte colpocleisis
- May 13 **San Juan, PR – dinner presentation**
 Bulking agents and PTNS therapies
- June 9 **Lima, Peru – Sociedad Peruana de OBGYN (SPOG)**
 Anatomia quirurgica
 Tratamiento de vejiga hiperactiva persistente
 Tratamiento quirurgico de la incontinencia urinaria de esfuerzo
 Uso del laser vaginal para el syndrome genitourinario de la menopausa
- June 20-23 **Vancouver, BC, Canada – IUGA**
 Troubleshooting and artifact identification in urodynamics
 Use of fractionated CO2 laser for urogenital atrophy
- June 30 **Mexico City, MX – Colegio Mexicano de OBGYN (COMEGO)**
 Uso del laser vaginal para syndrome genitourinario de la menopausa
- August 10 **Guayaquil, Ecuador – Federacion of OBGYN Societies (FESGO)**
 Tecnicas de uretropexia
 Actualidad en el uso de las mallas en patologia del piso pelviano
- September 19 **Cochabamba, Bolivia – Sociedad Boliviana de OBGYN**
 Live surgery x5: Anterior apical suspension, A and P repairs, TVT and IStop slings
 Infecciones del tracto urinario recurrentes
 Manejo actual de la atrofia vaginal
 POP en mujeres de edad avanzada
 Prolapso uterino: como manejar
 Manejo actual del prolapso apical y nuevas tecnicas
- October 6 **Providence, RI – AUGS annual meeting**
 Laser applications in vaginal health specifically related to GSM, SUI and atrophy. Lunch symposium
- October 28 **Taipei, Taiwan – Asia-Pacific Urogynecology Association (APUGA)**
 FIGO review of statements and recommendations on synthetic mesh use for POP and SUI
- November 7 **Cancun, Mexico – FLASOG Federacion Latino Americana de Sociedades de OBGYN**
 Prolapso recurrente
 Debate: Ventajas de las mallas y contras de la cirugia tradicional
 Live demonstration: Pixelated CO2 laser for vaginal atrophy
- November 24 **Athens, Greece – 5th Greek National Congress in Urogyn and Pelvic Floor Disorders**

 High uterosacral ligament suspension or sacrospinous ligament fixation for management of severe prolapse
 Manchester procedure for uterine prolapse. Is still a viable option?

2016

- January 25-29 **Singapore, Singapore – HMDP Visiting Expert program -**
 Residency training programs in Gynecology/Urogynecology
 Management of primary and recurrent SUI, incl. urodynamics
 How to get published in Urogynecology
 Is urodynamics necessary prior to SUI and POP surgery
 Anatomic correlates of POP and POP surgery
 Management of POP and vault prolapse, incl. use of meshes
 Management of OAB, incl. Botox and neuromodulation/PTNS
 How to avoid litigation in on Gynecology/Urogynecology (Grand Rounds at NUHS)

- March 3-4 **Tegucigalpa, Honduras**
 March 22 **New York, NY – Albert Einstein College of Medicine OBGYN grand rounds**
 April 15 **Panama, Panama – Asociacion Panamena de Obstetricia y Ginecologia (SPOG)**
 “Surgical treatment of stress incontinence”
 “Urodynamic evaluation”
 “Uterovaginal prolapse: Should we conserve the uterus?”
- April 29 **Sao Paulo, Brasil – V Jornada de Uroginecologia – Univ of Sao Paulo**
 “Workshop: Drug therapy applied to female sexuality”
 “Vesico-vaginal fistula repair”
 Live surgery: Latzko VVF repair (2)
 “Mirabegron: A new approach to OAB”
- April 6 **On line webinar – IUGA**
 Native tissue POP repair: Anatomy and surgical management
- May 18-19 **Leon, Mexico – Sociedad Mexicana de Urologia Ginecologica (SMUG) 27 meeting**
 Live surgery: Native tissue POP repair
 MalapRACTICA en slings suburetrales: como evitar y casos
 Como manejar el utero en prolapse uterovaginal
- May 29 **Toronto, Canada – University of Toronto Advances in Female Pelvic Medicine**
 “Complications of midurethral slings”
 Debate: “Should we bring back the Burch procedures?”
 “How I decide when to use meshes to fix pelvic organ prolapse”
 Case studies: “Dealing with mesh complications”
 “Uterine preservation in POP surgery: What is the evidence?”
- July 14-15 **Guatemala City, Guatemala –**
 August 1-6 **Capetown, South Africa – IUGA Annual meeting**
 Workshop: “Outcomes and complications of prolapse and incontinence surgery”
 Workshop: “Urodynamics: typical tracings and interpretation”
- Sept. 27 **Rio de Janeiro, Brasil – Academy of Medicine of Rio De Janeiro**
 Invited candidate presentation: “Atualidades em cirurgias para incontinencia e o assoalho pelvico”
- Sept. 30 **Denver, Colorado – AUGS Annual meeting**
- October 4 **Panama City, Panama**
 Live surgery: Total vaginal hysterectomy with anterior/posterior repairs and TVT sling
- October 7-8 **Lisbon, Portugal – 1st Urogynecology Conference – PUC hospital system**
 “Advances and setbacks in POP surgery with mesh: Will mesh survive?”
 “Quality and medico-legal aspects of urogynecology”
- October 10-11 **Lima, Peru – XXI Congreso Peruano de Obstetricia y Ginecologia**
 “Surgical anatomy”
 “Treatment of overactive bladder”
 “Surgical treatment of stress incontinence”
 Live surgery: Vaginal vault prolapse: Anterior apical sling, anterior repair and TO sling
 “Evaluation of stress incontinence”
 “Surgical treatment of stress incontinence”

2015

- Feb 5-7 **Miami, Florida – University of Chicago Urogynecology course**
 “Choosing the right midurethral sling (MUS)”
 “Colpocleisis and colpectomy”
 “Complications of pelvic floor operations”
 “Treatment of anterior compartment prolapse with and without adjuvant grafts”
- March 25-26 **Cordoba, Argentina – Sociedad Argentina de Cirugia Laparoscopica (SACIL) I Congreso Argentino de Cirugia Ginecologica**
 “What is the role of central and peripheral neuromodulation?”

	<p>“Vaginal Vault Prolapse: Anatomy and repair” “Manejo de la IOE recurrente/persistente” “Manejo de complicaciones de las cirugias con malla por via vaginal” Live surgery: TVH with Uterosacral ligament suspension</p>
April 3-4	Kathmandu, Nepal – South Asian Federation of OBGYN (SAFOG) Nepal OBGYN Ass.
April 24-25	<p>“Innovations in POP surgery: Have we achieved the desired outcome?” Sao Paulo, Brasil – University of Sao Paulo Urogynecology conference “Prolapso utero-vaginal: Debemos preservar o utero ou nao? (argument for hysterectomy) – debate” “Sindrome de Bexiga Hiperativa: opcoes terapeuticas atuais” Live surgery: Apical sling for vault prolapse</p>
May 8-9 (SGORJ)	Rio de Janeiro, Brasil – Sociedade de Ginecologia e Ob do Rio de Janeiro
May 14-15	<p>“Identification and management of vaginal vault prolapse” “Current management options for overactive bladder” Puerto Vallarta, MX – Sociedad Mexicana de Urologia Ginecologica (SMUG) “Manejo de complicaciones de cintas mediouretrales” “Cirugia ginecologica: Perspectivas al futuro”</p>
May 29-30	<p>Buenos Aires, Argentina – Sociedad de OBGYN of Buenos Aires (SOGIBA) “Cirugia robotica en Uroginecologia” “Prolapso anterior y apical” “Casos clinicos” “Histerectomia vaginal” – plenary Live surgery: Hysteropexy for uterine procidentia (Hospital Churruca)</p>
June 9-13	<p>Nice, France – IUGA 40th Annual meeting Workshop talk: “Medico-legal situation in the USA: Lessons to be learned” Workshop talk: “Pharmacotherapy as applied to female sexual function” Plenary session: “Safety first: Avoiding medico-legal pitfalls. Case and How to prevent medico-legal cases”</p>
August 1-2	<p>Tokyo, Japan – 17th meeting of Japanese Society of Female Pelvic Floor Medicine “Strategic SUI treatment with TOT procedure” “Selecting the best surgical option for each POP patient” “Avoiding medico-legal problems: Lessons from the USA”</p>
August 22-23	<p>Lima, Peru – IUGA eXchange program “Introduction to IUGA” “Pelvic Floor Functional Anatomy” “Urodynamic evaluation – workshop” “Vault prolapse – workshop”</p>
October 5	<p>Vancouver, BC, Canada – Federation International of GYN OB (FIGO) IUGA roundtable: Managing pelvic organ prolapse in different settings “Introduction and Overview of POP and related imaging” Fistula Forum: “IUGA initiatives in Africa – Ghana project”</p>
October 9	<p>Montreal, Canada – International Continence Society (ICS) Plenary session: “Evidence based management of complications of Urogyn surgery”</p>
October 30	Santa Cruz, Bolivia – Asociacion Boliviana de Ginecologia y Obstetricia
Nov 3-4	Acapulco, Mexico – Federacion Mexicana de
Nov 6-7	<p>Buenos Aires, Argentina – IUGA Regional Symposium “Anatomy of pelvic support: Integration of form and function” “PF dysfunction: the role of ultrasound” “Sacral neuromodulation” “Bulking agents: Tricks and advice” “Recurrent anterior compartment prolapse”</p>
Nov 14	Brasilia, Brasil – FEBRASGO
Dec 19	Miami, FLA – ACOG Review course (Spanish)

2014

- Feb 7-8 **Bogota, Colombia – IUGA Regional Symposium**
“Surgical anatomy in urogynecology”
“Persistent UI after a sling”
“Native tissue repair of anterior compartment”
“Use of biologic grafts for POP repair”
- March 17-18 **Tokyo, Japan – Japanese Pelvic Floor Society**
March 25-26 **Sao Paulo, Brasil – University of Sao Paulo Urogynecology course**
May 2-3 **Porto Alegre, Brasil – FEBRASGO southern section meeting**
May 12-13 **Chiapas, Mexico - Sociedad Mexicana de Urologia Ginecologica (SMUG)**
May 15-16 **Panama City, Panama**
July 21-26 **Washington, DC – IUGA/AUGS annual meeting**
Sept 15-19 **Guayaquil, Ecuador – FLASOG – Fed Lat Amer Sociedades de OBGYN (FLASOG)**
“Uso de mallas en cirugia pelvica reconstructiva”
“Tratamiento de incontinencia urinaria de esfuerzo”
- October 8 **Jacksonville, FLA – dinner talk (Uroplasty)**
“Update on PTNS and bulking agents”
- October 18 **San Pedro Sula, Honduras – CCF sponsored CME event**
“Avances en patologia del piso pelvico”
“Consecuencias y tratamiento de la atrofia vaginal”
- October 23 **Rio de Janeiro, Brasil – ICS annual meeting**
“Surgical treatment of POP - FDA warning: Lessons learned” – plenary roundtable
“Drug therapy applied to sexuality: Impact of POP surgery on female sexuality” - workshop

2013

- Jan 16-19 **Mumbai, India – FOGSI Annual meeting**
“Following anatomic correlates for prolapse correction”
“Pathophysiology of stress incontinence”
“Slings for SUI: Status today”
“Repair of vesico-vaginal fistulae: US approach”
LTM Medical College: 22nd S.R. Talwalkar Oration
“Current management of Urinary Incontinence”
- Feb 7-9 **St. John, USVI - 18th Annual Update in Gynecological Urology - The University of Chicago Pritzker School of Medicine**
“Surgical Treatment of Anterior Compartment Defects With & Without Adjuvant Grafts”
“Selecting Between retropubic & Transobturator Midurethral Slings”
“Pessaries for Prolapse & Incontinence”
“How is Treating Mixed Incontinence Different?”
- Feb 20-22 **Bogota, Colombia- XV Congreso Internacional en Ginecologia y Obstetricia- Fundacion Santa Fe de Bogota**
“Mesh in Pelvic Relaxation and FDA.”
“TVT vs TOT”
“Mesh complications”
“LeFort operation.”
- Mar 15-17 **Fort Lauderdale, FLA – CCF Pelvic Floor conference**
“Intravaginal FES is best”
“Rectocele repair: Why it rarely needs mesh”
“OAB: Drugs are best”
“QOL assessment in Female Pelvic Medicine”
- April 12 **Miami, FLA – University of Miami Wm Little conference**
“Suburethral slings 2013: Improving patient outcomes”

- April 19-20 **Sao Paulo, Brasil – University of Sao Paulo Urogynecology conference**
 “What to do about the uterus in women with POP?”
 Live surgery: Uterovaginal prolapse with native tissue repair
- May 27-31 **Dublin, Ireland – IUGA Annual meeting**
 Fellows’ forum lecture: “Following anatomic correlates for prolapse correction”
- June multiple. **Florida locations – Astellas OAB Beta agonist primer**
 “A Different Treatment Option for Patients With Overactive Bladder”
- June 27-29 **Mexico City Mexico – Mexican Urogynecology Society (SMUG) Annual meeting**
 “Abordaje quirurgico de lesiones por material protesico - i.e. “mesh complications””
 “Mesh in pelvic reconstructive surgery – and the FDA”
 “Uso responsable de las mallas sinteticas en reparacion del POP”
 “Prolapso utero-vaginal: Via laparoscopica vs. vaginal”
- July 25-27 **Tokyo, Japan – Japanese Society of Female Pelvic Floor Medicine meeting**
 “Evidence and trends in POP surgery”
 “Update on pelvic reconstructive surgery – after the FDA notifications”
 AMS Monarc clinician training: “Monarc™ Subfascial Hammock Training”
- July 29-31 **Bangkok, Thailand –**
 “Urogynecology 2013: Pelvic Organ Prolapse and Urinary Incontinence surgery”
 Cadaver lab and surgical training: POP and sling procedures
- Aug 15 **Fort Lauderdale, FL – CCF Multispecialty International Symposium**
 “Pelvic floor problems in the post-menopausal woman”
- October 4 **Freeport, Bahamas – Bahamas Medical Association**
 “Genital prolapse: Effective and durable repairs”
- October 10-12 **Shanghai, China – IUGA eXchange symposium**
 “Current concepts in surgical anatomy”
 “Management of complications of urogynecologic surgery including fistulae”
 “Prolapse surgery 2013: When to use mesh and when not to”
 “Protocol and manuscript preparation (panel)”
 Roundtable: “Cysroscopy”
- October 16-19 **Las Vegas, Nevada – AUGS Annual meeting**

2012

- Jan 18 **Washington, DC – FDA/FPRN Advisory Board on mesh registries**
 “Biologic grafts in POP repair”
 “International perspectives in urogynecology”
- Jan 21 **Ft. Lauderdale, FLA – Cleveland Clinic Florida Hysterectomy alternatives conference**
 “Simplifying the difficult vaginal hysterectomy”
- Jan 27 **Houston, TX – Memorial City Medical Center OBGYN noon conference**
 “POP surgery after the mesh fiasco”
- Feb 15 **La Paz, Bolivia – IUGA eXchange program**
 “Urogynecology world-wide: current activities and IUGA’s role”
 “The elderly with exteriorized prolapsed”
 “Mini-slings”
 “Vaginal vault prolapse – identification and importance”
 “Diaries and QOL questionnaires”
 Live surgery - Total vaginal hysterectomy with anterior and posterior repairs”
- Feb 24 **Nashville, TN – Vanderbilt University**
 “Posterior anatomy and repair”
 “Appropriate mesh use in POP surgery”
 “Optimal cystocele repair”
- March 16 **Sao Paulo, Brasil – University of Sao Paulo Urogynecology Symposium**

- “Tratamiento cirurgico do prolapso genital: Estado da Arte”
 Live surgery – Anterior and apical vaginal prolapse repair – Elevate technique
 March 23 **Tempe, AZ – Astellas Mirabegron Advisory Board Chair**
- “The Role of the Specialist and Standards of Care for Overactive Bladder”
 “Sample cases in overactive bladder”
 March 30 **Fort Lauderdale, FLA – CCF 12th Annual Female Pelvic Floor Symposium**
- “Current state and controversies in Urogynecology”
 “Update on OAB drugs and role of physiotherapy in PF therapy”
 “Evaluation of urethral function”
 “Anterior compartment: Options for graft selection”
 “Mid-urethral slings”
 Live surgery: repair of large vaginal posterior wall prolapse
 Live surgery: Anterior Elevate apical anterior vaginal prolapse repair
 Live surgery: Sling transection for BOO
 April 20 **New York, NY- Astellas Mirabegron Advisory Board Chair**
- “The Role of the Specialist and Standards of Care for Overactive Bladder”
 “Sample cases in overactive bladder”
 April 21 **Atlanta, GA – Minimally Invasive Gynecology/Urology Surgical Symposium**
- “Role of biologic grafts in POP surgery”
 “Case discussion: Mesh v. biologic v. native tissue: When and why?”
 “Panel discussion: Uterine preservation in POP repair: In who and when?”
 May 18 **Cartagena, Colombia – Colombian OBGYN Society**
- “Objetivizacion de los recursos diagnosticos y manejo de la incontinencia urinaria oculta”
 “Posicion actual de la uretrocistopexia suprapubica (tipo Burch). Aun tienen vigencia?”
 “Que via utilizar para la correccion de los prolapso del compartimento medio: Vaginal o abdominal”
 “Seleccion de tecnicas quirurgicas para coreccion del prolapso genital”
 “Uso rutinario de la urodinamia como diagnostico y pronostico”
 “Urodinamia”
 “Pelvic Floor Dysfunction: Current State”
 June 7 **Guadalajara, Mexico – Mexican Gynecologic Urology Society (SMUG)**
- “Cirugia tradicional para prolapso genital”
 “Presente y futuro de la cirugia anti-incontinencia”
 “Es util la urodinamia en el estudio pre-operatorio?”
 June 13 **Atlanta, Georgia – Emory University OBGYN dept. Grand Rounds**
- “Traditional prolapse surgery after the mesh controversy”
 July 14 **Panama City, Panama – Punta Pacifico Hospital Urogynecology Update**
- “Update on Urogynecology and Pelvic Floor Medicine”
 Live surgery: repair of cystocele with apical prolapsed – Anterior Elevate
 Live surgery: Le Fort colpocleisis
 Live surgery: Retropubic sling and posterior wall prolapse
 July 29 **Miami, Fla – AMS prolapse and incontinence cadaver lab**
- “Mini slings for stress incontinence – MiniArc”
 August 5 **Guadalajara, Mexico – 63rd Mexican Congress of Gynecology and Obstetrics**
- “Tratamiento de la IUE: Cual es la major tecnica?”
 “Indicaciones y complicaciones de la mallas”
 August 31 **Nagoya, Japan – AMS Monarc trainers training session**
- “Monarc suburethral sling – techniques and training pearls”
 September 4 **Brisbane, Australia – 37th Annual IUGA meeting**
- “Drug therapy applied to female sexuality: Does Viagra work?” workshop presentation.
 Oct 3-4 **AUGS annual meeting**
- Oct 9-12 **Rome Italy – FIGO meeting**
- “Is there utility to adjuvant grafts in the posterior compartment?”
 “Mesh erosions and extrusions”

2011

- Jan 23 **Ft. Lauderdale, FLA – Cleveland Clinic Florida Hysterectomy alternatives conference**
“The difficult vaginal hysterectomy”
- Jan 29 **New York, NY – CL Medical conference**
“Inelastic slings for stress urinary incontinence”
- March 23 **Bogota, Colombia – Asociacion Colombiana de Gynecologia y Obstetricia – Bienal**
“Uso apropiado de mallas en correccion del piso pelvico”
“Concepto del Piso Pelvico como Unidad”
“Evaluacion clinica de la paciente con incontinencia urinaria”
“Uso de cintas para incontinencia urinaria de esfuerzo”
- March 31 **Sao Paulo, Brasil (via TC) – Universidade de Sao Paulo OBGYN meeting**
“Pelvic organ prolapse repair with mesh and kits: What’s new?”
- April 1-4 **Ft. Lauderdale, FLA – 11th Annual Pelvic Floor Disorders Symposium**
“Pelvic Floor Dysfunction in Women: Current state”
“Update on OAB meds”
“Surgical treatment of posterior compartment defects”
“Tissue and muscular assessment”
“Mesh erosions: incidence and management”
“Trans-obturator Slings”
Live surgery – Anterior Elevate repair of advanced vaginal prolapse
- June 3-4 **Buenos Aires, Argentina – Soc. de Obstetricia y Gyne de Buenos Aires (SOGIBA)**
“Cirugia para prolapso genital sin mallas”
“Debate interactivo: tratamiento de prolapso pelvico”
“MiniArc slings para incontinencia de esfuerzo”
- June 5-7 **Tijuana, Mexico – Sociedad Mexicana de Urogynecologia (SMUG)**
“Uso apropiado de mallas en coreccion del piso pelvico”
“Tratamiento quirurgico con mallas en el compartimiento anterior”
“Uso de mallas para incontinencia urinaria de esfuerzo”
Live surgery – MiniArc sling for stress incontinence
Live surgery – TVT sling for intrinsic sphincteric deficiency
- June 18 **Miami, FLA – AMS surgical cadaver lab**
Elevate anterior/posterior and MiniArc slings
- June 20-21 **Rome, Italy – 4th World Congress of Coloproctology and Pelvic Diseases**
“Pelvic organ prolapse: 3 organs, 3 players, 3 symphonies: Trans-vaginal approach: Techniques and personal experience”
Live surgery – Elevate uterine and vault suspension and Monarc sling procedure
- June 27 **Lisbon, Portugal – European Urogynecologic Association (EUGA)**
Live surgery – Anterior Elevate with biologic graft and MiniArc sling procedure
- June 28-31 **Lisbon, Portugal – International Urogynecological Association (IUGA) meeting**
“Sexual dysfunction associated with pelvic reconstructive surgery: Management and prevention”
Workshop: multidisciplinary approach to female sexuality based on practical concepts
Interactive Debate: Management options for advanced vaginal prolapse.
- July 14, 2011 **Guayaquil, Ecuador – 11vo Congreso Int de Medicina y Especialidades Kennedy**
“Nuevas perspectivas sobre cirugia para prolapso genital e incontinencia”
- July 27 **Rio de Janeiro, Brasil – Sao Carlos Hospital GYN Grand rounds**

 “Rationale for Treatment of Pelvic Floor Dysfunction”

- “Tissue and muscular assessment”
 “A case for obliterative simplicity: Colpocleisis”
 “Hysterectomy approach: Vaginal hysterectomy: Who, when and where ?”
- March 13-14 **Tenerife, Canary Islands, Spain – Spanish Society of Obstetrics and Gynecology – Pelvic Floor Section Annual Conference**
 “La Uroginecologia en el Siglo XXI” – invited guest lecturer
 Surgical management of vaginal eversion: Apogee and Perigee procedures – live surgery session
- April 23-24 **Auckland, New Zealand – 2nd Annual New Zealand Urogynecology Conference**
 “The Development of Sub-urethral tapes to treat urinary stress incontinence”
 “Patient selection and the management of Complications from Trans Vaginal Mesh Surgery”. “Live Theatre – Prolapse repair with Apogee, Perigee and MiniArc”.
- April 28-30 Melia Convention Center, Italy - National A.I.U.G Meeting
 Invited Speaker
- June 6-8 **Fort Lauderdale, FL – International Urogynecological Association (IUGA) Roundtable**
 “Sexual Dysfunction in Women Roundtable - Introduction” - meeting host and organizer
- June 12-13 **London, UK – British Society of Urogynecology (BSUG): Annual Scientific Update in Urogynecology** . Visiting professor and invited speaker.
 “Management of Complications of Urogynecological Surgery”
 “Urethral Diverticulectomy: video and presentation”.
 “Debate: This house believes that the use of mesh in primary vaginal prolapse surgery is justified”.
- June 28 **Thornton, CO - Pelvic Floor Reconstruction - Mini Arc Single –incision sling system**. Faculty, Sponsored by AMS.
- July 10 **Toronto, ON, Canada - University of Toronto Female Pelvic Medicine Symposium**
 “Critical Appraisal of the Role of Materials in Reconstructive Pelvic Surgery.”
 “Debate – TVM: The Old vs. the New – Is the cost justified?”
 “New Surgical Techniques in Pelvic Floor Reconstruction” Invited Expert – AMS
- August 7-8 **Santiago, Chile – University of Chile Urogynecology Symposium**
 “Patient selection and the management of complications from transvaginal mesh surgery”
 “Critical appraisal of the role of materials in reconstructive pelvic surgery”
 Live surgical demonstration: Surgical management of vaginal vault prolapse
- Sept 3-6 **Chicago, IL – AUGS Annual Meeting**
 “Experiences with MiniArc and Elevate: The Case or Single-Incision Surgery and Mesh Repairs”
 “Video: Posterior Wall Prolapse Repair: Apical Fascial Defects” .
- Sept 13-17 **Taipei, Taiwan - IUGA 33rd Annual Meeting**
 Workshop Chairman: Complications of Pelvic Reconstructive Surgery – “Evolution of Pelvic Reconstructive Surgery into its current state”
 “The Case or Single-Incision Surgery and Mesh Repairs” – Moderator, AMS Industry sponsored symposia.
 “Overactive bladder: The Physician and Patient Partnership” – Astellas industry sponsored symposium.
 “Repair of posterior vaginal wall prolapse: Correction of apical transverse fascial defect”.
 Video session
 “Unmasking occult incontinence in advanced vaginal prolapse: Which reducing tools works best?”. –. Oral poster session
- Sept. 27 **Phoenix, AZ – Pelvic Floor Reconstruction Workshop** – American Medical Systems
 “Perigee - New Techniques in Pelvic Floor Reconstruction”
 Cadaver lab – Perigee, Apogee/Elevate and MiniArc Surgical Procedures”
- October 2-3 **Valladolid, Spain – V Reunion Nacional Multidisciplinaria sobre Patologia del Suelo Pelvico**
 “Surgical treatment of pelvic organ prolapse: Grafts vs. no grafts”
 “How to develop a Pelvic Floor Center”

- Live surgical demonstration: Management of uterovaginal prolapse with Elevate/Perigee/MiniArc procedures.
- October 4 **Ljubljana, Slovenia – IUGA Regional Symposium**
 “Surgical treatment of pelvic organ prolapse: Overview”
 “Vault Prolapse: Vaginal approaches”
- October 18 **Irvine, CA - Pelvic Floor Reconstruction Workshop – American Medical Systems**
 “Perigee - New Techniques in Pelvic Floor Reconstruction”
 Cadaver lab – Perigee, Apogee/Elevate and MiniArc Surgical Procedures”
- November 29 **Sao Paulo, Brasil – 1st meeting of the Brazilian Urogynecology Section**
 “Complications of Reconstructive Surgery”
 “Vaginal Prolapse Surgery: State of the Art”

2007

- Jan 12-22 **Aboard the Royal Caribbean’s Explorer of the Seas – 2nd Annual Women’s Health Cruise – New Horizons in Women’s Health. Christiana Health.**
 “Advances in the Management of Hematuria and Interstitial Cystitis”
- Feb 9 **San Juan, Puerto Rico – Annual Sunshine Seminar on Advances in OB/GYN.**

 “Evaluation and Treatment of Vaginal Vault Prolapse”.
- Feb 11 **San Francisco, CA – Pelvic Floor Reconstruction Workshop – American Medical Systems**
 “Vaginal Vault Suspension Repair and Technique”.
 “Lab Experience – Perigee and Apogee Surgical Procedure
- Feb 17 **Miami, FL – “Overview – New Techniques in Pelvic Floor Reconstruction”. “Vaginal Vault Suspension Repair and Technique”. “Lab Experience – Perigee and Apogee Surgical Procedure”. “Lab Q & A, Cadaver Lab Experience”. Speaker, New Techniques in Pelvic Floor Reconstruction – AMS**
- Feb 24-25 **Houston, Texas – The Women’s Hospital of Texas Urogynecology Conference**
 “Innovations in minimally invasive reconstructive surgery”
 “Using Grafts in reconstructive surgery: When to use and how to select the type of material to use”
 “Management of cuff support at the time of hysterectomy”.
- March 24 **Cincinnati, OH – “Overview – New Techniques in Pelvic Floor Reconstruction”. “Vaginal Vault Suspension Repair and Technique”. “Lab Experience – Perigee and Apogee Surgical Procedure”. “Lab Q & A, Cadaver Lab Experience”. Speaker, New Techniques in Pelvic Floor Reconstruction – AMS.**
- April 8 **Savannah, GA – American Medical Systems: New Techniques in Pelvic Floor Reconstruction**
 “Overview – New Techniques in Pelvic Floor Reconstruction”.
 “Vaginal Vault Suspension Repair and Technique”.
 “Cadaver Lab Experience – Perigee and Apogee Surgical Procedure”.
- April 21-22 **Atlanta, GA – Emory University School of Medicine. Surgical Master Class in Pelvic Floor Reconstruction,**
 “Management of Surgical Complications”
- April 28 **Arlington, TX – American Medical Systems: New Techniques in Pelvic Floor Reconstruction**
 “Overview – New Techniques in Pelvic Floor Reconstruction”.
 “Vaginal Vault Suspension Repair and Technique”.
 “Cadaver Lab Experience – Perigee and Apogee Surgical Procedure”.
- May 13 **Jacksonville, FL — American Medical Systems: New Techniques in Pelvic Floor Reconstruction**
 “Overview – New Techniques in Pelvic Floor Reconstruction”.
 “Vaginal Vault Suspension Repair and Technique”.
 “Cadaver Lab Experience – Perigee and Apogee Surgical Procedure”.

- May 23 **Atlanta, GA** – ADAMED USA dinner presentation.
“Conservative Management of Pelvic Organ Prolapse with the Colpexin Sphere”.
- May 31 **Chennai, India** – Indian Urogynecological Society, Female Pelvic Floor Disorders Symposium
“Female Pelvic Floor Disorders. Recent developments in Pelvic Reconstructive Surgery”. I
Live Prolapse Surgery: Apical prolapse and cystocele repairs.
- June 7-9 **Chicago, IL** – Northwestern University, Feinberg School of Medicine. Advances in Urogynecology & Reconstructive Surgery
“Office Evaluation of Incontinence & Prolapse”
“Behavioral Therapy for Stress & Urge Incontinence”
“A case for Obliterative Simplicity: Colpocleisis”
“Wall to Wall Mesh, Should we be doing this? Apogee / Perigee”
“New developments in Periurethral & Bladder Injections”
“Hands-on Cadaveric Surgical Lab”
- June 12-16 **Cancun, Mexico** - IUGA 32nd Annual Meeting
“Update in the Treatment of Anterior Compartment Prolapse”.
“Quandries in Female Pelvic Surgery: Fistulae, Diverticulae and peri-urethral masses”.
“What to do with concomitant apical prolapse”.
- July 30 **Queensland, Australia** – AAVIS 8th Annual Scientific Meeting
“Experience with Apogee and Perigee”.
“Predicting the future of Reconstructive Surgery”
- July 31 **Sydney, Australia** – Adventist Hospital,
Live surgical demonstration: Apical prolapse repair and SUI surgery”
- Aug 17 **Ponce, Puerto Rico** – 3rd OB/GYN CARIBE-GYN Symposium.
“Vaginal Hysterectomy: Optimizing the surgery Outcomes”
“Elective Cesarean section: The answer for Pelvic Floor problems”.
- Aug. 21 **Rotterdam, The Netherlands** - Annual Meeting International Continence Society
“Repair of anterior segment prolapse: Classical, Pop and Rock”
- Sept 17-21 **St. Louis, MO** – 17th International Pelvic Reconstructive and Vaginal Surgery Conference
“How to select Mesh/Graft for Pelvic Reconstruction”
“Synthetic vs. Biological Grafts”
“Diagnosis and Treatment of Vaginal Vault Prolapse”
“Tips on Vaginal Surgery”.
“Individualizing the Choice of Anti-incontinence Surgery”.
- Oct 4 **Orlando, FL** – Oxytrol Specialty Dinner
“Innovative Treatment Approaches for OAB”.
- Oct 6 **Arlington, TX** – American Medical Systems: New Techniques in Pelvic Floor Reconstruction
“Overview – New Techniques in Pelvic Floor Reconstruction”.
“Vaginal Vault Suspension Repair and Technique”.
“Cadaver Lab Experience – Perigee and Apogee Surgical Procedure”.
- Oct 12 **Philadelphia, PA** – Dinner Program, American Medical Systems
“Overview of new incontinence & Pelvic floor prolapse treatments and how they can benefit your patients”.
- Oct 13 **Philadelphia, PA** - University of Pennsylvania, School of Medicine.
“Minimally Invasive Surgery for Cystocele and Rectocele using Graft Material”.
- Oct 27-31 **Luxor, Egypt** – 42nd Annual Meeting of the Egyptian Urological Association in conjunction with the European Association of Urology.
“Surgical anatomy for the urologic surgeon”
- Nov 9 **Atlanta, GA** – Primary Care for Continence in the 21st Century, Nat’l Assoc. for Continence (NAFC)
“Surgical Intervention for SUI and Prolapse in Women”
“Pearls of Wisdom – for the Primary Care Practice”.
- Nov 9-10 **Atlanta, GA** – Emory University School of Medicine

- Nov 23 “Advances in Pelvic Surgery”. –
Genova, Italy – Italian Urogynecology Association
 “Urogynecology: Where are we and where are we going ?”
- Nov. 16 **Washington, DC** – American Association of Gynecologic Laparoscopists (AAGL) meeting
 Surgical Crossfire Debate: Laparoscopic vs. Vaginal Surgery for Genital Prolapse
- Dec 2 **Taipei, Taiwan** – Taiwan Urogynecology Association International Symposium for
 Advanced Urogynecology
 “Individualizing the choice of surgery for your SUI patient”
- Dec. 8 **Sao Paulo, Brasil** -
 “Uso racional de telas na correcao dos prolapsos genitais”
 “Tratamento cirurgico em incontinencia urinaria: Novas tecnicas e tecnicas sempre atuais”
 “TOT:Indicacao e tecnica”

2006

- June 1 **Chennai, India** – Review of Urogynecologic surgery
 “Anterior / Posterior Compartment Cystocele Repairs. Grafts and kits”
 “Apical Prolapse, Posterior IVS / Variants / Kits”
 Live surgery; repair of vaginal vault and vaginal prolapse
- June 3-4 **Belgaum, India** – IUGA eXchange Program Urogynecology Workshop.
 “Recent trends in surgical management of POP”.
- June 15-17 **Lisbon, Portugal** – 3rd International Conference of Vaginal and Pelvic Reconstructive
 Surgery.
 “The best Surgical Treatment for Urinary Stress Incontinence; My Personal Experience”.
 “Surgical Options for Vaginal Apex Prolapse”
- Aug 20 **Ponce, Puerto Rico** – Medical Academy of Puerto Rico
 “Medical Facets for OB/GYN & Women’s Health Care”.
- Nov 4 **Gresham, OR** – New Techniques in Pelvic Floor Reconstruction – AMS
 “Overview – New Techniques in Pelvic Floor Reconstruction”.
 “Vaginal Vault Suspension Repair and Technique”
 “Lab Experience – Perigee and Apogee Surgical Procedure”
- Nov 27 **Christchurch, New Zealand** – Annual Meeting International Continence Society
 “Pelvic organ prolapse repairs without mesh – Choices and Outcomes”. Workshop,
 AAGL
 Efficacy and safety of porcine dermal graft in patients undergoing pelvic organ prolapse
 repair
 Retrospective Analysis of Efficacy and Safety of Perigee™ and Apogee™ in Patients
 Undergoing Surgical Repair for Pelvic Organ Prolapse

2005

- January 29 **Norfolk, VA** – Eastern Virginia Medical School.
 “Overview – New Techniques in Pelvic Floor Reconstruction”
 “Vaginal Vault Suspension Repair and Technique”
 “Lab Experience – Perigee and Apogee Surgical Procedure”
- Feb 10-12 **St. John, US Virgin Islands** – Update in Gynecologic Urology, Northwestern University
 CME
 “Current Concepts in Pelvic Anatomy & Support”
 “TVT-Tape for stress urinary incontinence”
 “Repair of the Anterior Segment”

- Feb 18-21 “Complications of Vaginal Surgery”
St. Petersburg Beach, FL – University of South Florida Midwinter Seminar in Obstetrics and Gynecology.
- February 26 “Surgical Management of Vaginal Vault Prolapse”
Chicago, IL – New Techniques in Plevic Floor Reconstruction – AMS.
“Overview – New Techniques in Pelvic Floor Reconstruction”
“Vaginal Vault Suspension Repair and Technique”
“Lab Experience – Perigee and Apogee Surgical Procedure”
- March 31 **Celebration, FL** – New Techniques in Plevic Floor Reconstruction – AMS.
“Overview – New Techniques in Pelvic Floor Reconstruction”
“Vaginal Vault Suspension Repair and Technique”
“Lab Experience – Perigee and Apogee Surgical Procedure”
- April 2 **San Antonio, TX** – New Techniques in Plevic Floor Reconstruction – AMS.
“Overview – New Techniques in Pelvic Floor Reconstruction”
“Vaginal Vault Suspension Repair and Technique”
“Lab Experience – Perigee and Apogee Surgical Procedure”
- April 10 **Seoul, Korea** –Miz Medi Medical Center 9th Annual OBGYN Symposium
“Current concepts of pelvic floor as a unit”.
“Anatomy and pathophysiology of pelvic floor dysfunction”
“Adjuvant grafts in prolapse surgery”
“Pharmacologic therapy for OAB”
“Selecting the best treatment for OAB”
- April 15 **Cleveland, OH** – 1st.Women’s Health Summit, Cleveland Clinic
“Laparoscopic Surgery for Pelvic Organ Prolapse – Cutting edge techniques”
- April 30 **Philidelphia, PA** – The American Society of Colon and Rectal Surgeons Annual meeting
“Operating with other Specialties: How, when and why?”
- May 9 **Guatemala City, Guatemala** – Cleveland Clinic Foundation Symposium
“Update on Treatment of Genital Prolapse”
- May 14 **Minnetonka, MN** – New Techniques in Plevic Floor Reconstruction – AMS.
“Overview – New Techniques in Pelvic Floor Reconstruction”
“Vaginal Vault Suspension Repair and Technique”
“Lab Experience – Perigee and Apogee Surgical Procedure”
- June 8 **Porto, Portugal** – 10th Congress of the Portuguese Urogynecology Chapter
Live Surgery: Pelvic Reconstructive Surgery – Perigee/Apogee
“Overview of the different techniques and their indications, results and complications”.
- Aug 19-21 **Ponce, Puerto Rico** – 2nd Annual Meeting of Obstetrics and Gynecology, Caribe-GYN
“Urinary Urgency vs Urinary Incontinence vs Overactive Bladder”
“New Surgical treatments of urinary stress incontinence with pelvic floor reconstructive surgery”
- Sept 15 **Atlanta, GA** – AUGS Annual Scientific Meeting.
“OAB Pharmacotherapy: What does the future hold?”
- Sept 23 **Minnetonka, MN** – New Techniques in Plevic Floor Reconstruction – AMS.
“Overview – New Techniques in Pelvic Floor Reconstruction”
“Vaginal Vault Suspension Repair and Technique”
“Lab Experience – Perigee and Apogee Surgical Procedures”
- Sept 25 **Boston, MA** – Clinical Advances in Obstetrics and Gynecology – Harvard Medical School and Brigham & Women’s Hospital.
- Nov 9 **Chicago, IL** – American Association of Gyn Laparoscopists
“Vaginal Approach to Urinary Incontinence”
- Nov 10 **Chicago, IL** – American Association of Gyn Laparoscopists
“Graft materials in Pelvic Floor and Continence Repairs”

2004

- March 3-5 **Tubingen, Germany** – University of Tubingen International Symposium.
“Is there a case for Interdisciplinary Incontinence Centers?”
- March 12-15 **Fort Lauderdale, FL** – Cleveland Clinic 4th Annual Female Pelvic Floor Disorders Symposium.
“Recto-Vaginal Septum”
“Cystocele Repairs”
“TOT: Monarch”
- April 12 **Celebration, FL** – Female Pelvic Health Workshop with an emphasis on Monarch. AMS.
- April 24 **Houston, TX** – Female Pelvic Health Workshop, Memorial Hermann Southwest Hospital.
“Graft Augmented Repairs of the Pelvic Floor”
- June 10-12 **Chicago, IL** – Advances in Urogynecology & Reconstructive Pelvic Surgery, Northwestern University and Evanston Continence Center
“Diagnosis of Urodynamic Stress Incontinence: Urethral Pressure Profiles & Leak Point Pressures”
“Innovations in Reconstructive Surgery”
“Neuromodulation for Voiding Dysfunction”
“New Concepts in treating Cystoceles and Rectoceles”
“Transobturator Midurethral Slings”.
- July 23-26 **Rio Grande, Puerto Rico** – Puerto Rico Urological Association Mini Convention 2004.
“Treatment of Overactive Bladder”
- Aug 23 **Paris, France** – ICS/IUGA Joint Meeting
“Role of continence procedures in vault prolapse repair”
“Interactive session (Q&A): Case presentations and surgical procedure selection”
- Aug 26 **Minneapolis, MN** - Innovation Seminars – Meet a Global Leader Up close and Personal, AMS.
“Apogee, the evolution of Vaginal Vault Suspension”
“The art and science of Surgical Repair of Vaginal Prolapse”
- Oct 11-12 **Minneapolis, MN** – Obstetrics, Gynecology & Women’s Health 35th Annual Autumn Seminar, Medical School, University of Minnesota
“Stress Incontinence Surgery made Simpler”
“New Treatment Options for your OAB patient”
- Oct 29 **Celebration, FL** – New Techniques in Pelvic Floor Reconstruction – AMS.
“Overview – New Techniques in Pelvic Floor Reconstruction”
“Vaginal Vault Suspension Repair and Technique”
“Lab Experience – Perigee and Apogee Surgical Procedure”
- Nov 12 **W. Palm Beach, FL** – The Palm Beach County Obstetrics and Gynecology Society Annual Seminar.
“Urogynecology for the OB/GYN practice”
- Nov 19 **St. Louis, MO** – AMS Pelvic surgery seminar
“New Products in Female Pelvic Floor Reconstruction with Surgical Technique”
“Anatomy Review, Patient Selection”
Hands-on Product Training in a Cadaver Lab
- Nov 24 **Montreal, Canada** – “Contemporary surgical management of vaginal prolapse”. Visiting Professor. Pfizer.
- Dec 10-11 **Chicago, IL** – “Overactive Bladder: Demographics of the problem – Gender-based issues and Treatment options”. Speaker, World Foundation for Medical Studies in Female Health, 2004 Annual Clinical Conference.
- Dec 10 **Dallas, TX** – “New Techniques in Pelvic Floor Reconstruction, Vaginal vault suspension, Cadaver lab, Q&A”. Presbyterian Hospital, Dallas TX.

2003

- April 10-12 **Overland Park, KS – World Foundation for Medical Studies in Female Health.**
“Management options for Urinary Incontinence”
- April 28 **New Orleans, LA – “Meet the Experts” Watson Pharma - Curry Rockefeller Group.**
“A New treatment option for Overactive Bladder”.
- May 21-24 **Melbourne, Australia – Australian Gynecological Endoscopy Society (AGES)**
“Pelvic Floor Update”.
- June 12-14 **Chicago, IL – Advances in Urogynecology, Reconstructive Pelvic Surgery & Office Therapy, Northwestern University.**
“Diagnosis of Genuine Stress Incontinence: Urethral Pressure Profiles & Leak point Pressures” “Does Estrogen have a place in Pelvic Floor Therapy?”
“Neuromodulation for Voiding Dysfunction”
“SPARC and TVT Procedures”
- October 4 **New Orleans, LA –**
“New Therapeutic Challenges in the treatment of Overactive Bladder: Impact, Treatment Strategies, and Quality of Life Initiatives”.
- October 7 Satellite Symposia – BARD/TYCO Healthcare
“Alternative Apical Procedures and Rationale for Posterior IVS”
- Nov 21-22 **Las Vegas, NV – , Global Congress of Gynecologic Endoscopy.**
“Telesurgery, Monarc” Live surgery

2002

- May 4-8 **Los Angeles, CA –**
“Anticholinergic side effects with long term transdermal Oxybutynin for Overactive Bladder symptoms”.
“Does hormone replacement affect OAB symptoms and quality of life during TDS Oxybutynin therapy”
“Influence of age on improvements in Overactive Bladder symptoms and adverse events during Oxymutynin TDS treatments”.
Poster presentations Clinical Meeting of ACOG.
- June 22-23 **Coimbra, Portugal –**
“Evaluation of Pelvic Floor Disorders, conservative therapies and surgical management (including video surgeries). Workshop presentation.
Sacro-spinous fixation, sacro-colpopexy and vaginal hysterectomy with McCall and TVT procedures. Active collaboration and later discussion on video recordings of above mentioned surgeries. Gynecology, Department of Maternity, Bissaya-Barreto – Coimbra.
- Aug 28-30 **Heidelberg, Germany –**
“Transdermal Oxybutynin and Controlled Release oral Tolterodine in patients with positive treatment effect to anticholinergic therapy for Overactive Bladder”. Poster Presentation Annual Meeting of ICS.
- Oct 17-19 **San Francisco, CA –**
“Transdermal and Oral Oxybutynin: Comparison of Anticholinergic side effects”. Poster Presentation Annual Scientific Meeting of AUGS.
- October 19 **San Francisco, CA –**
“Overactive Bladder in Women: Advances in Diagnosis and Treatment”. Breakfast with the Professors CME Symposium, AUGS satellite symposium, Faculty and Moderator.
- Nov 13-16 **Anaheim, CA –**
“Anticholinergic and other adverse events with Transdermal Oxybutynin for Overactive Baldder in patients \geq 70 years”. Poster Presentation Annual Meeting of ASCP.

2001

- January 19 **Milwaukee, WI** – Live demonstration
“Durasphere bulking agent injections”
- February 5 **New York, NY** – Bronx Ob Gyn Society
“Intrinsic Sphincteric Deficiency”.
- February 8 **Warsaw, Poland** – Bialostok University School of medicine
“Stress Urinary Incontinence”
Live surgical demonstration: Paravaginal Repair for repair of vaginal prolapse
- February 17 **Ft. Lauderdale, FL** – Cleveland Clinic Florida Colorectal Symposium.
“Urogynecologic aspects of pelvic floor dysfunction”
- March 16 **Ft. Lauderdale, FL** – Cleveland Clinic Florida 1st Annual Pelvic Floor Dysfunctions conference
“Concept of the Pelvic Floor as a Unit”
“Colpocleisis”
“New Concepts in Pelvic Reconstructive Surgery: TVT and New Materials”
- March 23 **Ft. Lauderdale, FL** – Brown Medical School symposium at PriMed Conference.
“New Treatments in Overactive Bladder”.
- May 17 **San Jose, CA** – Santa Clara Valley Medical Center. Grand Rounds Visiting Professor
“Management of Vaginal Vault Prolapse”
“Modern usage of Progestins”
- June 1 **Anaheim, CA** – Emerging Trends in the Management of Overactive Bladder. American Urologic Association satellite symposium. Conference Chairman
“New drug delivery systems for Overactive Bladder”
- June 3 **Springfield, MO** – American College of Obstetricians and Gynecologists – Missouri/Kansas annual conference.
“Stress vs. Urge Urinary Incontinence”
- June 6 **Huatulco, MX** – Mexican Society of Urogynecology (SMUG) annual meeting.
“TVT: Results and Complications”
“The Concept of the Pelvic Floor as a Unit”
“Surgical Treatment of Stress Urinary Incontinence”
“Pelvic Physiotherapy for Urinary Incontinence”
- June 18 **Buenos Aires, Argentina** – . Buenos Aires Society of Obstetricians and Gynecologists (SOGIBA) annual meeting.
“Update on Overactive Bladder”
“Surgical Management of Posterior Compartment Defects”
- June 19 **Buenos Aires, Argentina** – Churruca Hospital Dept. of Ob Gyn.
“The Unitarian Concept of Pelvic Floor Dysfunction”
- June 19 **Buenos Aires, Argentina** – University of Buenos Aires School of Medicine Dept. of Ob Gyn.
“The Unitarian Concept of Pelvic Floor Dysfunction”
- June 25 **San Jose, Costa Rica** – Costa Rican Urogynecology Association 1st Annual Meeting.
“Pelvic floor dysfunction evaluation and therapy”
“Multichannel urodynamics: indications and testing”
- June 11 **New York, NY**, and
June 25 **Dallas, TX**, and
August 6 **Milwaukee, WI**, and
August 7 **Philadelphia, PA** Baylor College of Medicine sponsored Overactive Bladder Update.
“Overactive Bladder: Incidence and Pathophysiology”
- August 8 **Weston, FL** – CCF dinner meeting
“New Concepts in Gynecology”

2000

- Feb 3 **Ft. Lauderdale, Florida –**
“New approaches to treating urogynecologic conditions”. Pharmacia dinner meeting.
- Feb 12 **Guadalajara, Mexico – University of Guadalajara Advances in Medicine Obstetrics and Gynecology Symposium.**
“Suburethral slings”, “Stress incontinence treatment algorithms”
- Feb 15 **Ft. Lauderdale, Florida – Broward County District Health**
“Urogynecologic problems of adult women”.
- Feb 25 **Hollywood, Florida – Solvay dinner meeting**
“Gynecologically optimizing quality of life after menopause”..
- Feb 29 **Miami, Florida – Barry University PA program**
“Urinary incontinence”..
- March 3 **Houston, Texas – University of Texas Health Sciences Center Advances in Urogynecology and Pelvic Organ Prolapse for the New Millenium.**
“Urodynamics and coding”
“Non-surgical treatment of stress incontinence and prolapse”
“Prevention and management of complications of urinary incontinence and prolapse surgery”.
- March 12 **Weston, Florida – Alza dinner meeting.**
“Symphony incontinence”.
- March 24 **Palermo, Italy – 4th National Meeting on Microinvasive Laparoscopic and Vaginal Surgery.**
“Mini-laparotomy Burch colposuspension” - Live surgery demonstration televised
- April 6 **Ft. Lauderdale, Florida – Broward County Medical Association Women Physician’s group**
“Urogynecologic problems of adult women”
- April 11 **Coral Springs, Florida – Pharmacia dinner meeting**
“Overactive bladder”
- April 12 **Ft. Lauderdale, Florida – Ortho dinner meeting**
“New HRT regimens”
- April 13 **Naples, Florida – Cleveland Clinic Florida, Naples nursing CME meeting.**
“Overactive bladder”
- April 15 **Sarasota, Florida – Solvay dinner meeting**
“New HRT regimens”
- April 16 **Ft. Myers, Florida - Solvay program**
“New HRT regimens”
- May 9 **Plantation, Florida – Ortho dinner meeting**
“New HRT regimens”
- May 19 **Monterrey, Mexico – 50th Anniversary of the Monterrey General Hospital Symposium.**
“Urodynamic testing”
“Surgical treatment of stress incontinence”
- June 1 **Chicago, Illinois – Northwestern University Urogynecology and Office Gynecology conference**
“Cystometry and urethrocystometry”
“Current concepts in cystocele and enterocele repairs”
“Surgical complications in reconstructive surgery”.
- June 7 **Ft. Lauderdale, Florida – Holy Cross Hospital Dept. of Obstetrics and Gynecology**
“New HRT regimens”.
- June 24 **Weston, Florida – Pelvic Floor Problems CME conference**
“Pelvic floor dysfunction in adult women overview”.
- August 4 **Guadalajara, Mexico – University of Guadalajara Urogynecology Conference.**
“Modern management of stress incontinence”.

- Sept 6 Live surgical demonstration TVT procedure.
Washington, DC – FIGO meeting: International Urogynecological Association symposia
“Devices and behavioral techniques”
- October 23 “Current concepts in pelvic floor dysfunction”
Rome, Italy – 25th meeting of the International Urogynecological Association
“Pharmacologic management of stress incontinence and voiding dysfunction”. Workshop on pharmacologic management of urinary dysfunction.
- 1999
- January 26 **Grand Cayman, CI – Urogynecology and Office Gynecology Review Course, University of California, Irvine School of Medicine**
“Evaluation and treatment of Intrinsic Sphincteric Deficiency”
“Treatment algorithms for stress Urinary incontinence”
“Slings for everyone debate”.
- April 15 **Chicago, Ill – Advances in Urogynecology, Reconstructive Pelvic Surgery and Office Therapy. Northwestern University Medical School**
“Cystometry and urethrocytometry”
“New concepts in treating cystoceles, rectoceles and enteroceles”
“Mechanical devices to treat incontinence”
“Coding tips: How to optimize reimbursement without going to jail”
- May 17 **Akita, Japan – 9th Annual Meeting of the Japanese Uro-Gynecologic Association.**
“Non-surgical treatment of urinary stress incontinence using the Introl bladder neck support prosthesis”
- June 3 **Buenos Aires, Argentina – XVII meeting of the Obstetrics and Gynecology Society of Buenos Aires - SOGIBA**
“Non-surgical treatment of urinary incontinence”
“Anal incontinence evaluation and treatment”
“Conservative treatment of incontinence”
“Pelvic floor dysfunction”
- August 23 **Denver, Colorado – Joint Meeting of the International Continence Society and the International Urogynecologic Association.**
“Androgens and progestogens and lower urinary tract function”. Symposium presenter: Hormones in Urogynecology Workshop
- Sept 25 **Miami, Florida – CME conference, Doral Spa and Country Club**
“Quality of life issues in the menopause”
- Sept 28 **Ft. Lauderdale, Florida – Alza dinner meeting**
“Bladder function and quality of life”
- October 22 **Cleveland, Ohio – Pelvic Floor Anatomy Conference. Cleveland Clinic Foundation**
“Level 1 apical vaginal support mechanisms”
- Nov 3-5 **Mexico City, Mexico – 50th Annual Meeting of the Mexican Obstetrics and Gynecology Association**
“Hormonal aspects of Urogynecology”
“Practical aspects of urodynamics debate”
“Evidence-based medicine treatment of stress urinary incontinence”.
- Nov 9 **Ft. Lauderdale, Florida – Alza dinner meeting**
“Overactive Bladder”

1998

- Feb 5-7 St. Thomas, US VI - "Pessaries and other devices," "Vestibulitis/Vulvodynia," "Anti-incontinence surgery results," "Injectables for Intrinsic Sphincteric Deficiency," "advances in the treatment of central and anterior wall prolapse". Update in Gynecologic Urology in St. Thomas. Northwestern University Medical School and Cleveland Clinic Foundation.
- Feb 14 Denver, CO - "The usage of vaginal estrogens". AWHONN Conference.
- Feb 27 Jackson Hole, WY - "New concepts in hormone replacement therapy," "New oral contraceptives". Wyoming Academy of Family Physicians 21st Annual CME Meeting.
- April 6 Denver, CO – "Surgical treatment of stress urinary incontinence". Colorado Gynecologic and Obstetrical Society Mini-symposium on Urogynecology.
- April 30 Rochester, NY – "Non-surgical treatment of urinary incontinence". University of Rochester Dept. Of Obstetrics and Gynecology Grand Rounds.
- May 21 Denver, CO – "Medical treatment of the overactive bladder". Porter Hospital Family Practice Grand Rounds.
- May 29 Monterrey, Mexico – "Estrogen and urogenital health," "Non-surgical treatment of urinary incontinence". Mexican Menopause and Climacteric Society.
- July 22 Rapid City, SD – "Hormonal replacement and urogenital health". South Dakota VA Medical Center Priamty Care Grand Rounds.
- July 29 Denver, CO – "Evaluation and treatment of urinary incontinence". Colorado Gerontologic Society meeting.
- August 12 Buenos Aires, Argentina – "Sacrospinous Fixation," "Suburethral Sling Procedures," live surgical course. University of Buenos Aires Annual Gyn Surgery Conference.
- Sept 19 Inverness, CO – "Impact of androgens in the menopause". HealthOne Menopause Sympsiium.
- Sept 30 Colorado Springs, CO – "Treatment of the overactive bladder". Memorial Hospital Grand Rounds.
- Nov 19 Buenos Aires, Argentina – "Non-surgical treatment of urinary incontinence," Symposium presenter at International Urogynecological Association Annual meeting.
- Dec 4 Minneapolis, MN – "Surgical treatment of stress urinary incontinence". Minneapolis Ob Gyn Annual Symposium.
- Dec 12 Lisbon, Portugal – "Advances in the evaluation and treatment of urinary incontinence". Guest lecturer, Portuguese Society of Neurourology and Urogynecology.

1997

- Feb 6-8 St. Thomas, US VI - "Pessaries and vaginal continent devices," "Retropubic urethropexies and paravaginal repairs," "Advances in the treatment of cystocele, rectocele and enterocele". Update in Gynecologic Urology in St. Thomas. Northwestern University Medical School and the Cleveland Clinic Foundation.
- March 6-7 Sao Paulo, Brazil - "Urodynamics: Actual and future prospectives," "Electrical stimulation for urinary incontinence," "Care of postoperative complications," "Evaluation and treatment of Interstitial Cystitis". Sao Paulo Symposium on Urogynecology and Vaginal Surgery: University of Sao Paulo School of Medicine Department of Gynecology and Paulista School of Medicine Department of Gynecology.
- March 20 El Paso, TX - "Basic office evaluation and treatment for genitourinary dysfunction". Texas Tech University Health Sciences Center Urogynecology Conference.
- April 11 Pasadena, CA - "Understanding Hispanic demographic cultural trends as they relate to oral contraceptives". Wyeth-Ayerst Speakers Bureau Training Meeting.
- May 28-30 Buenos Aires, Argentina - Live surgery course: "Sacrospinous Fixation," "Suburethral Sling". Jose De San Martin Hospital First International Course on Gynecologic Surgery.
- June 5 New Orleans, LA - "Conservative methods of treating stress urinary incontinence"; Tulane University Department of Obstetrics and Gynecology Grand Rounds.

June 9 New York, NY - "Cultural concerns within the Hispanic population," "Birth control options: New considerations for Hispanic patients," "Family planning issues: cultural and medical considerations for your Hispanic patient". The College of Physicians and Surgeons of Columbia University.

Sept 8 Denver, CO - "Urogynecology Update". Denver Health Medical Center Department of OB/GYN Grand Rounds.

October 2 Albany, NY - "Nonsurgical management of stress incontinence". Albany Medical College Department of Obstetrics and Gynecology Grand Rounds.

October 3 Syracuse, NY - "Conservative management of female urinary incontinence". SUNY Health Sciences Center -Department of OB/GYN Grand Rounds.

October 21 Denver, CO - "Stress incontinence in females". St. Joseph Hospital Grand Rounds.

October 21 Los Angeles, CA;

October 22 San Francisco, CA;

October 23 San Jose, CA;

Nov 12 San Antonio, TX and

Nov 19 Chicago, IL
"Cultural concerns within the Hispanic population," "Birth control options: New considerations for Hispanic patients," "Family planning issues: Cultural and medical considerations for your Hispanic patient". The College of Physicians and Surgeons of Columbia University.

Nov 7 Palm Beach, FL - "Surgical management of urinary incontinence and genital prolapse," "Novel nonsurgical approaches to urinary incontinence". The Palm Beach County OB/GYN Society Winter Meeting.

Nov 26 Porto, Portugal - "Surgical treatment of urinary incontinence and genital prolapse," Live surgical demonstration: "Laparoscopic Burch". University of Porto Department of Obstetrics and Gynecology.

1996

April 11-13 Milwaukee, WI - "Urodynamics evaluation," "Nonsurgical therapy of urinary incontinence," Live surgical demonstration of gasless laparoscopic Burch procedure. St. Francis Hospital Endoscopic Advances in Laparoscopy and Hysteroscopy Conference.

April 15 Chicago, IL - "Stress urinary incontinence: Advantages of Gasless Laparoscopic Burch procedure and pre-peritoneal approach". The International Society for Gynecological Endoscopy Annual Meeting.

April 18 Topeka, KS - "Incontinence in the female athlete". The Kansas Rehabilitation Hospital update on fitness issues related to women.

May 17 Miami, FL - "Simple and complex urodynamics," "The unstable bladder in voiding dysfunctions: Therapeutic alternatives," "Treatment of Intrinsic Sphincteric Deficiency: Is Collagen the answer?" University of Miami School of Medicine Department of Obstetrics and Gynecology Update in Pelvic Surgery and Gynecologic Urology.

May 18 Aurora, CO - "Urinary Stress Incontinence". Denver Osteopathic Foundation "All About Women" Conference.

May 22 Sterling, CO - "Current perspectives in management of menopausal and postmenopausal patients". Sterling Regional Medical Center Grand Rounds.

June 14 Temple Mountain, UT - "Hormonal Replacement Therapy". 20th Annual Castle County Medical Symposium.

Sept 18 Kansas City, MO - "Women's healthcare: Menopause and estrogen". Baptist Medical Center Grand Rounds.

October 18 Kansas City, MO - "New treatments for stress urinary incontinence". University of Kansas Medical Center Department of Obstetrics and Gynecology Grand Rounds.

October 22 Fort Collins, CO - "Urogenital health after menopause". Poudre Valley Hospital CME Conference.

- October 25 Albuquerque, NM - "Incontinence therapy: Injectable bulking agents". American College of Obstetricians and Gynecologists District VIII-IX Annual Meeting.
- Nov 7 Denver, CO – "Urinary incontinence: Current approaches". Addressing Women's Healthcare Issues in the 1990s. Colorado Department of Public Health and Environment Women's Conference.
- 1995
- Feb 4 Santa Fe, NM - "Surgical options for urinary incontinence and genital prolapse," "Nonsurgical approaches to urinary incontinence". American College of Obstetricians and Gynecologists New Mexico Section OB/GYN Clinical Update.
- April 28-29 Chicago, IL - "Surgical management of fecal incontinence," "Cystometry and urethral cystometry," "Medical treatment of anal Incontinence". Advances in Urogynecology, Pelvic Surgery and Office Therapy Northwestern University Medical School.
- May 12 Denver, CO - "Medical management of urinary incontinence". St. Joseph Hospital Obstetrics and Gynecology for the Primary Care Physician.
- June 22-24 Vitoria, Brazil - "Urodynamic testing for urinary incontinence," "Laparoscopic treatment of urinary incontinence," "Physiotherapy for bladder re-education" Fourth Latin American Congress of Urogynecology and Vaginal Surgery.
- Sept 28 Salt Lake City, UT - "Urogynecology and androgens in the menopause". Utah OB/GYN Society Speaker at Utah Medical Association 100th Annual Meeting.
- October 6 Grand Junction, CO - "No more secrets: A medical conference on urinary incontinence". St. Mary's Hospital.
- October 25 Denver, CO - "Urinary incontinence in women: primary care treatment approaches". PorterCare Hospital Gynecologic Topics and Workshops for Primary Care Physicians.
- Nov 10 Orlando, FL - "Gasless Laparoscopic Burch Colposuspension: A traditional Burch procedure through laparoscopic access". Special Luncheon Presentation, American Association of Gynecological Laparoscopists 24th Annual Meeting.
- Nov 16 Phoenix, AZ - "Office evaluation of urinary incontinence". Good Samaritan Regional Medical Center Obstetrics and Gynecology Grand Rounds.
- December 6 Houston, TX - "General concepts in urogynecology". Baylor College of Medicine Department of Obstetrics and Gynecology Grand Rounds.
- 1994
